"Coffee" means the seed of cultivated varieties of Coffee Arabica, Coffee Liberica and Coffee Robusta.

"Green, raw or unroasted Coffee" is coffee freed from all but a small portion of its spermoderm, and conforms in variety and in place of production to the name it bears.

the label of the container or packet, containing the mixture, in a conspicuous place and in distinct legible letters.

When ground coffee is sold or exposed for sale in loose form; *i.e.*, other than in specifically prepared packets or containers, the receptacles containing the coffee, or, on which it is exposed or kept for sale, shall be labelled with labels indicating the nature and extent of the adulterant present (if any) in letters not less than one-half of an inch in size.
